### ICME Form for Disclosure of Potential Conflicts of Interest

**Section 1: Identifying Information**

<table>
<thead>
<tr>
<th>Name of the Institution</th>
<th>Contact Information</th>
</tr>
</thead>
<tbody>
<tr>
<td>Department of Medicine</td>
<td>University Hospital</td>
</tr>
</tbody>
</table>

**Section 2: Relevance of Financial Activities Outside the Submitted Work**

- **Relevant financial activities outside the submitted work:**
  - List any significant financial activities outside the submitted work that you believe may be perceived as potentially biasing, whether directly or indirectly.

**Section 3: Intellectual Property**

- **Intellectual Property:**
  - List any patents, pending patent applications, or proprietary rights that might be perceived as influencing your work.

**Section 4: Relationships Not Covered Above**

- **Other relationships:**
  - List any other relationships that might be perceived as influencing your work.

**Section 5: Acknowledgments**

- **Acknowledgments:**
  - List any acknowledgments that are relevant to the work.

**Section 6: Disclosure Statement**

- **Disclosure Statement:**
  - List any other disclosures that are relevant to the work.

**Section 7: Evaluating and Feedback**

- **Feedback:**
  - Please provide feedback on the form, including any suggestions for improvement.

---

**Instructions:**

The purpose of this form is to provide readers with transparent information about authors' interests that could influence their work. This information is intended to facilitate objective evaluation and enhance confidence in the research. The form should be completed in a clear and concise manner, ensuring that all relevant information is disclosed.

**Identifying Information:**

The work should be submitted in a form that clearly identifies the authors. This form includes a cover page with essential contact information, including the name of the institution, contact person, and any relevant numbers or codes.

**Relevant Financial Activities Outside the Submitted Work:**

Relevant financial activities outside the submitted work should be disclosed. This includes any personal or professional activities that could influence the work in any way. The form should provide space for authors to describe these activities in detail.

**Intellectual Property:**

Authors should disclose any intellectual property rights that might be relevant to the work. This includes patents, pending patent applications, or proprietary rights that might influence the research.

**Relationships Not Covered Above:**

Other relationships that might influence the work should be disclosed. This includes any personal or professional activities that are not covered in the preceding sections.

**Acknowledgments:**

Acknowledgments should be provided for any assistance that was received during the preparation of the work. This includes support from colleagues, institutions, or other entities.

**Disclosure Statement:**

A disclosure statement should be included to confirm that no other disclosures are relevant to the work. This statement should be signed by the authors.

**Feedback:**

Please provide feedback on the form, including any suggestions for improvement. This will help in enhancing the transparency and accuracy of the disclosures.
